

(RED) Holiday PR Box

Designed this custom PR box for (RED)'s holiday gifting campaign, which was sent to over 20 influencers and celebrities within (RED)'s network. In addition to the design, I sourced and coordinated with the print manufacturer to ensure premium-quality production and brand alignment.

Core Responsibilities:

- Researched and curated a list of high-impact influencers and celebrities aligned with (RED)'s mission and holiday campaign.
- Coordinated influencer outreach strategy in collaboration with the partnerships and social media teams.
- Drafted personalized messaging and email outreach to each recipient.
- Managed shipment logistics, including packaging, labeling, and coordinating with couriers for timely delivery.
- Tracked deliveries and ensured receipt confirmation from all recipients.
- Followed up with influencers to encourage unboxing content and brand mentions on social platforms.
- Monitored and compiled engagement metrics and social posts related to the PR box campaign.
- Maintained clear documentation of all outreach and responses for internal reporting.

United Nations General Assembly

I designed a series of visual assets for (RED)'s presence at the 2024 UNGA events, working in close collaboration with the Creative Art Director to ensure cohesive branding and impactful design execution.

(RED) office

I designed and oversaw the production of (RED)'s office decor, ensuring a cohesive brand aesthetic across the space. I also managed sourcing, vendor coordination, and on-site execution from concept to completion.

Core Responsibilities:

- Coordinated the layout and design plan to optimize space functionality and visual flow.
- Sourced furniture, artwork, and branded elements to reflect (RED)'s identity and values.
- Managed vendor communications and delivery schedules to ensure timely setup.
- Supervised installation and assembly of decor items, signage, and furniture.
- Organized and led the physical move-in process, including unpacking and arranging materials.
- Installed branded wall graphics and ensured correct placement of visual assets.
- Troubleshot on-site challenges and made real-time decisions to maintain design integrity.
- Collaborated with internal teams to align decor with organizational needs and workflows.
