Experience

Social Media Content Creator | Karlen Williams Graybill Advertising

11/2025 - Present, New York, NY

- Design and produce 15–20 social and digital assets weekly, including graphics, short-form video, and platform-specific content aligned with client briefs and brand guidelines.
- Collaborate with creative, strategy, media, and account teams to translate campaign objectives into compelling visual concepts for static and animated brand initiatives.
- Manage multiple concurrent projects while maintaining organized asset libraries and production workflows.
- Create performance-driven ad creative for paid social placements, adapting assets across multiple formats and sizes.
- Participated in client meetings, briefings, and creative workshops to align assets with campaign strategy.

Creative and Digital Fellow | (RED)

06/2024 - 05/2025, New York, NY

- Designed digital marketing assets for social, email, and web campaigns including one-pagers, event invitations, and branded graphics, maintaining brand consistency across all channels.
- Drove a 20% audience engagement increase by analyzing campaign performance and refining visual creative.
- Developed and ordered printed collateral including business cards and stationery in compliance with brand guidelines.
- Coordinated creative assets across multiple cross-divisional projects and event activations, supporting timely campaign launches with accurate asset tracking.
- Provided on-site creative support during campaigns and key events.

Graphic Designer | Hyper X Racewear

02/2022 - 01/2023, Roanoke, VA

- Designed print and digital marketing materials including promotional graphics, apparel artwork, and social media assets.
- Handled concurrent client design requests while meeting deadlines and delivering production-ready files.
- Improved internal design workflow and communication processes, increasing team efficiency and reducing turnaround time on client revisions.
